5 **Phone call February 25, 2021 (1 of 2) between Mr. Chasan and**

6 **Lenwood Hamilton (given phone number redacted):**

7

8 MR. CHASAN: Yeah, hello.

9 Hello, Skip? Skip? Hello?

10 MR. HAMILTON: I'm here.

11 MR. CHASAN: Yeah, okay.

12 Yeah uh, yeah uh, I, I called about an hour ago, uh,

13 which is about the time I called yesterday uh,

14 and uh -- but we really hadn't set a time to

15 call back, so I'm not surprised I -- I

16 didn't reach you. Um, okay. Uh --

17 You know, as agreed yesterday,

18 I'm recording the call, but we have to

19 decide what we're going to do about

20 confidentiality.

21 MR. HAMILTON: Okay. The

22 thing is, can I record you?

23 MR. CHASAN: Yeah, you can

24 record me.

1 MR. HAMILTON: Okay. Okay. The

2 only thing is, (inaudible) if it's going

3 to benefit me as well as you.

4 MR. CHASAN: Wait a minute, I

5 let me -- I need this a little louder here. Let

6 me put the volume up. Uh, can you hear me, Skip?

7 MR. HAMILTON: Yeah, I can hear

8 you well.

9 MR. CHASAN: Okay. I'm -- I'm

10 not hearing you that well, but uh, yeah you

11 can record me, I don't care.

12 MR. HAMILTON: Okay. Um, the

13 thing I'm saying is, that the only way I would

14 get into this is, if it not only benefits,

15 uh, you, but me out as well.

16 MR. CHASAN: Well, you know,

17 as I understand it, Skip, uh, you want me to

18 uh, uh, evaluate a case and see if I would

19 take the case, and uh, or give you, at least

20 give you an opinion about it. And, uh --

21 MR. HAMILTON: I want -- I

22 want you -- I want you to take the case

23 because this guy did malpractice. And I mean

24 I'm not gonna, uh, I'm not gonna waste my time just

1 talking if we're not going to tackle the  
2 case. Because he screwed me over, he screwed  
3 you over and – and, and, and, and I don't know,  
4 you know, what Mr. Lewis had to do with it. Um,  
5 and but we need to definitely go after Mr. Pierce  
6 because he had definitely malpractice  
7 involved. Um, he called me from a drug  
8 rehab.

9 MR. CHASAN: All right. Well,  
10 now, uh, there, there's a couple of things that I  
11 need to clear up with you, uh, uh, Skip.  
12 Uh, are you speaking into the -- uh, into  
13 the, uh, mouthpiece close enough because I'm,  
14 I'm not hearing you very well.

15 MR. HAMILTON: It's a bullshit

16 ass phone. That's what I got. Um --

17 MR. CHASAN: Well, anyway, uh – There, there --  
18 MR. HAMILTON: Give me, give me, give me your,  
19 your, your number. Hold on, hold on.

20 MR. CHASAN: I'll - tell you what, can I, can  
22 I call you back in about five minutes.

23 MR. HAMILTON: Yes, call me back.

24 I'm, I'm going to give you a number to call me  
25 back on.

26 MR. CHASAN: Okay. Give me, give me the  
27 number to call back. I'm going to write it

1 down.

2 MR. HAMILTON: Hold on.

3 MR. CHASAN: Go ahead.

4 MR. HAMILTON: Hold on.

5 MR. CHASAN: Uh, uh I can't

6 hear you Skip right now.

7 MR. HAMILTON: 80 -- 80 -- 805

8 MR. CHASAN: What is the

9 number?

10 MR. HAMILTON: 805.

11 MR. CHASAN: 805.

12 MR. HAMILTON: XXX.

13 MR. CHASAN: XXX.

14 MR. HAMILTON: XXXX.

15 MR. CHASAN: XXXX. Okay. Uh,

16 so, let me just read that back. I

17 want to make sure I got it.

18 805-XXX-XXXX; is that correct?

19 MR. HAMILTON: That's correct.

20 MR. CHASAN: Okay. I'll call

21 you in a couple of minutes. Okay?

22 MR. HAMILTON: Okay, bye.

23 MR. CHASAN: Bye.

24

---  
End of call.
